Message from the Prime Minister of Canada

It is with great honour that I offer my sincere congratulations to the newly established Ottawa Federation of Chinese Canadian Alumni Associations (OFCCAA).

The OFCCAA is a registered Ontario non-profit organization jointly founded by multiple Chinese Canadian university alumni associations in the Ottawa region. Guided by the values of Unity, cooperation, and dedication, OFCCAA aims to build a meaningful platform connecting alumni and the broader community while contributing to Ottawa's community development and Canada's multicultural society.

Chinese Canadian communities help shape our country through leadership, service, and shared responsibility. The OFCCAA contributions strengthen the social and economic foundations that underly our nation. At its core, Canada's diversity is a source of strength—one that supports resilience, trust, and confidence in the future.

Today's event speaks to the very spirit of how when we come together in unity, look out for each other, and take care of each other—we truly make Canada a stronger country for everybody. Day in and day out, the OFCCAA indeed embodies this very mantra.

With my warmest regards.
